Gentlemen:-

*W. S. Evans*

In reply to your letter of the 12th instant, with reference to South African Volunteer Bounty Land Certificate No. 7097, issued in favour of Thomas Henry Adams Williams, I am directed to inform you that the fact of the instrument executed by Mr. Williams having been executed on November 19<sup>th</sup> <sup>1910</sup> will not invalidate the document, as the Warrant of the Minister of Militia & Defence issued in Mr. Williams' favour is dated the 8th November, 1910. Clause 3, Section 5, of the Volunteer Bounty Act, 1908, which you quote, has reference to the date of the Militia Warrant, and not the date of the Land Certificate issued by this Department.

Sir,

I beg to acknowledge the receipt of your application for patent for the North  $\frac{1}{2}$  of Section 35, Township 72, Range 7, West of the 6th Meridian, your Volunteer Bounty Land Grant, together with the Supplementary Statement made in support thereof, and to inform you that before anything further can be done in regard thereto, it will be necessary for you to furnish the Department with a satisfactory explanation regarding the residence duties claimed.

Mr. Fume;

Application for patent  
John T. Fleming for the  
N<sup>o</sup> of 35-72-7-T-6th Mer.  
Volunteer Bounty Lands Grant.

This man made application for patent for the above land on the 9th of June 1914 and claimed residence from the 20th of September 1911 to the 20th of March 1912, from the 20th of September 1912 to the 20th of March 1913 and from the 20th of April to the 20th of October 1913.

The Agent pointed out to Mr. Fleming that according to the manner of calculating residence he had only put in two full terms as the residence in 1913 from the 20th of April to the 20th of October could not be counted as the third term.

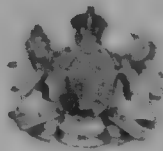

On the 29th of September 1914 the applicant made a supplementary statement claiming residence in 1914 from the 27th of March to the date of the supplementary statement. It was pointed out to Mr. Fleming that as he claimed residence in his supplementary statement from March 1914 which was not claimed in his application for patent it would be necessary for him to furnish a satisfactory explanation.

Will you please read the explanation received from the applicant and say if the same is satisfactory.

- To J.H. Moore and H.W. 17 1911  
C.N. 10-71-7-111.-

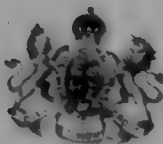

Mr. J.H. Moore filed with African Scrip on the  
above mentioned land in March 1911. He resided on the land  
until some time in April, when he came out for supplies.  
Owing to the state of the Hudson-Grand Prairie Trail during  
the spring and summer, caused by an exceedingly rainy season,  
it was impossible to take supplies in, until the frost set  
in at the beginning of this winter. Mr. Moore went back again  
to the land in October and resided on it throughout the  
whole months of November and December. He broke twenty acres  
in the spring and built a house on the land. He is now coming  
out to take in his family and supplies and requests to be  
allowed to be absent from his land until the 15th of March,  
before which time he expects to be back on the land.

I can positively recognize Mr. Moore as a bona fide  
settler, and I am therefore in favor of the consideration of the  
Department.

If I am requested to Mr. Moore, will you kindly

Sir,

1/5 Sec. 23 Tp. 45 Rge. 4 West 5<sup>th</sup> Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Thomas J. Macdonald

Memorandum:-

APPLICATION TO PURCHASE

Part of L.S. 8 in 16, 57, 3, W. 5th  
Mer., lying east of lake, and con-  
taining 1.4 acres, hatched in red  
on sketch. Vacant.

I beg to submit the application of M.R. Suvan  
to purchase this parcel in connection with his homestead  
the adjoining S.W. 1/4 of Section 15 for which he obtained  
entry in October, 1914.

The Homestead Inspector reports as follows on  
this application:-

"Mr. M. R. Suvan has made application to pur-  
chase fract. Legal Subdivision 8 lying east of lake of  
S.E. 1/4 16, 57, 3, W. 5th and containing according to  
plan 1.4 acres, would value this land at \$10.00 per acre  
It is situated in a nice place for summer resort or  
private residence over-looking a most beautiful lake.  
It is rumored that the railway will pass close to this  
land and if it does it will be an ideal spot. At  
present entrant wants this land to save him from fence-  
ing so much, if he got it he could run his fence to  
lake which would save him fencing."

A sale if authorized should, of course, be  
made subject to the applicant's earning patent for his  
homestead.

I may add that the portion of the S.E. 1/4 of  
Section 16, lying south of lake and comprising 57.8  
acres, stands as a homestead in the name of Frederick  
Johnson.

D. C. Cote, Esq., I.S.O.,

Controller.

*I do not  
think it is  
a good idea  
to report this  
parcel as  
vacant.*

Dear Sirs:

On the 8th of April, 1914, James Tierney obtained homestead entry for the N.E. 1/4 22-56-8-W. 5th Mer. and obtained patent on the 13th of January, 1920.

## Posting of Soldier Settlement Land.

R.C. No. 7 -----

Edmonton, Alta., Dec. 4th

1919.

Notwithstanding the expiration of the term of years from the date thereof, that is, on and after the 3rd day of June 1919, the land is of the class suitable for farming and is unoccupied, as follows:—

Township 57 Range 6 West of the 4th Meridian.

1/4 of Section 14

On the day last aforesaid the privilege of entry, either as an ordinary homestead or as a soldier grant, is restricted to a "settler," as defined by the Soldier Settlement Act, eligible to make entry patent for such quarter section and is still the owner thereof, or who was a squatter before survey on such quarter section. The regulations relating to conflicting claims by adjoining settlers will be found in full at the foot of this notice.

On the succeeding day and thereafter (unless entered for or reserved for an adjoining settler) the land will be available for entry—

(a) as an ordinary homestead by any person eligible to make homestead entry who is on active service in the Naval or Military Forces of His Majesty or of His Majesty's Allies (either in person or by proxy);

(b) by a "settler" as defined by the Soldier Settlement Act as an ordinary homestead, provided such settler is eligible to make homestead entry;

(c) by a "settler" as defined by the Soldier Settlement Act as a soldier grant.

Paragraph 2 of Section 2 of the Soldier Settlement Act, 1917, defines "settler" as follows:—

"Settler" means any person who has served in the naval or military expeditionary forces of Canada during the present War, or who was engaged in active service during the present War in the naval or military forces of the United Kingdom or of any of the self-governing British Dominions or Colonies, or who, being a British subject, has been engaged in active service in the naval or military forces of His Majesty's Allies during the present War, and who has left the forces with an honourable record, or who has been honourably discharged, and the widow of any such person who died in the service of the Crown.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless made by proxy), may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the local Agent (not Sub-Agent).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be \$10. According to evidence on file in this office there are improvements upon the land stated to be worth \$-----

### PAYMENT FOR IMPROVEMENTS.

Before a person is granted entry for a homestead or a Soldier Grant, he shall declare what improvements, if any there are upon the land for which he applies, and pay to the Agent or Sub-Agent the full amount of his valuation of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of a discrepancy as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over \$25, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

### Payment of Indebtedness Charged Against the Land.

The following indebtedness is charged against this land: \$----- If the amount collected for improvements is sufficient to make up this indebtedness, the amount for entry is required to pay the balance of \$----- to make up the full amount of \$-----

## Regulations relating to conflicting claims by adjoining settlers.

Section 10 of the Settlement Land Regulations 1938 reads as follows:-

### CONFLICTING CLAIMS

22. In the event of conflicting claims being made in respect of land, the prior right of entry for such land shall be determined by the priority of the date of the prospective entries, or the commencement of residence, in the case of adjoining settlers being required.

23. To ensure that the land being given to the rights of all persons claiming priority, the Agent shall receive an application for entry offering under the preceding section, and shall not be certificate of entry for such land until the case of the conflicting claims is decided on which the prior right of entry is considered, or on the morning of the following day.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry, a person claiming a prior right of entry for the land affected, and it is evident from the records that such person is, in terms of the priority of day of his entry, or of his residence, or of his residence on the adjoining homestead, has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reasons shown to the Agent, a settler who according to the records has a prior right of entry, or of his residence, or of his residence on the adjoining homestead, appears in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately to the Commissioner of the Board.

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry for the land affected, but refer the matter to the Board for consideration.

24. At least once after being considered in the manner hereinbefore described, the land shall be held for at least one day, or the first day on which entry can be made, and shall not be reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any person eligible to make an entry under these regulations.

Before appearing to make entry you will require to visit the land personally and satisfy yourself that there is no one in residence, as you will be called upon to swear when making application for entry, that the land is unoccupied.

If you so desire, you may make application before a Sub-agent for this district, but such application, or the telegraphic advice of such application, from the Sub-agent, must be received in this office before the expiration of the 30 days period above mentioned.

You may make application for homestead entry by proxy by having your father, mother, son, daughter, brother, sister or wife appear in your behalf, but in the case of any other class of entry, the application must be made by yourself personally. Application for entry by proxy cannot be made before a Sub-agent, but must be made at this office. The person acting as proxy must have written authority from you in the form prescribed by the regulations.

## IMPROVEMENTS.

It will be necessary for you to carefully examine the improvements, if any, and estimate their value. When you make entry it will be necessary for you to pay the full amount of your valuation to the Agent or Sub-agent. According to evidence on file in this office, there are improvements on the land stated to be worth \$

In the event of uncertainty as to the correctness of your valuation, or if the value of the improvements is placed at over \$25, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid, you must at once pay the difference, otherwise your entry may be cancelled.

Should you fail to secure entry within the thirty days allowed, your prior right of entry will lapse and the land will be otherwise disposed of.

Your obedient servant,

John L. Croke.

The application for entry (unless by proxy), may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over \$25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

## ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

- (1) of Canada, and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,
- (2) of his Majesty or of any of His Majesty's Allies, and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,
- (3) of his Majesty or of any British Dominion or Colony, and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war, and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

No Soldier Grant Entry shall be made to any settler who:—

- (a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,
- (b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,
- (c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions deferred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

## Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

### CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day:

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received:

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board:

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, and if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Seed Grain Div.

Sir:

According to the records of this office the sum of \$71.02 is due the Department for an advance made to you by the way of seed grain and relief in 1920, in connection with the S.E. 1/4 of section 14-57-6-W.4th, which according to the records here you filed as a homestead on the 15th January, 1920. In addition to the above amount interest is to be added from the 31st March, 1926.

As your indebtedness has been outstanding for a considerable length of time, I should be pleased to be advised when payment may be expected.

Your obedient servant,

Asst. Asst.

to have some seed grain Bill against his

Sir,

Re S.E. 14-57-6 W. 4th N.

I beg to acknowledge the receipt of your letter of the 24th ultimo, and in reply to say that several years ago the former entrant became indebted to the Department for Seed Grain. The re-entrant for the quarter-section will have to assume the liability referred to but I might state that every effort will be made to collect from the person who formerly held entry. There is no reason whatever why the usual procedure should not be followed in this case.

In reply to your letter of the 17th instant, I regret to say that there is no way in which the charge for seed grain indebtedness can be removed from this quarter-section until the said indebtedness is paid in full. As already stated, every effort is being made to collect the amount from the settler who incurred this indebtedness.

Re: Account of Arthur B. Cowan  
S.E. 14-57-6-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1920 seed grain amounting to \$50.00 was advanced to Arthur B. Cowan on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

| <u>Principal</u> | <u>Interest</u> | <u>Total</u> |
|------------------|-----------------|--------------|
| \$ 50.00         | \$ 112.03       | \$ 162.03    |

The S.E. 14-57-6-W4 was formerly the homestead entry of the debtor on which security he obtained an advance of seed grain in 1920. His entry was cancelled on the 31st of August 1922.

This quarter section is still unalienated Crown land held in the right of the Province. It is under the jurisdiction of the Department of Lands and Forests and is presently included in Agricultural Lease No. 473. This lease issued for a term of 20 years and expires on the 15th October 1966.

As there is little likelihood of the Province disposing of this land by sale it offers little security for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

get further information  
regarding date of birth.  
I have tried every place  
to get something that will  
help me establish the date  
& will appreciate any in-  
formation you can give  
me.

Thanking you  
Your truly

HOME OFFICE.

WHITEHALL.

25th December, 1916.

Sir,

In reply to your letter of the 5th instant, I am directed by Secretary Sir George Cave to transmit to you herewith, for the information of Mr. Secretary Walter Long, the accompanying copy of a Police Report upon the Canada City Estates Land and Investment Company, Limited, together with certain notices of the Company referred to therein.

I am, etc.,

(Sgd) H. B. Simpson.

THE SECRETARY OF STATE.

WHITEHALL.

ORIGINAL FILED.  
Criminal Investigation Department,

New Scotland Yard,

15th December, 1916.

In reference to the attached, I beg to report that enquiry has been made concerning the Dominion of Canada City Estates and Investment Company, Limited, and it was ascertained that the Company was incorporated as a limited company on the 19th June, 1912, with a nominal capital of £10,5000 consisting of 10,000 preference shares of £1 each, and 10,000 ordinary shares of 1/- each.

The Articles of Association show that it was formed for the purpose of transacting investments and to carry out financial business operations, etc. in Canada.

The Solicitors to the Company were Messrs. Stokes, Broad & Liddell, 1 Abchurch Lane, E.C.4., and Mr. H.B. Liddell, of that firm acted for a short time as Secretary but in September, 1912, Mr. Charles Harrison Barron became Secretary.

The Directors were Mr. C.H. Barron, described as a mining engineer; Lieutenant James Grey, Swindon, and Mr. William Hanson Scarne, Engineer.

On the 15th October, 1915, the Controller of Companies sent a communication to the Company asking if business was still being carried on, or if it was still in operation, which was returned marked "none reply". Two further letters followed and last was similarly marked. The Company was therefore dissolved, by default on 11th October, 1916.

It has been ascertained that Messrs. Stokes, Broad & Liddell has ceased to exist as a firm; Mr. Stokes is serving in the army and Mr. Liddell is in China. Mr. Broad has been seen, and he states that he never took any part in the business of the Dominion of Canada City Estates Co. Ltd., and knows very little about the concern. He is now a member of the firm of Gutterell and Boone, Solicitors, 24 St. Mary Ave., N.C.

Mr. W. Munson Boorne has offices at Rush Lane House, Cannon St., N.C. This gentleman has also been seen, and he states that for many years he lived in Canada and there became acquainted with Mr. Litley. Mr. Litley is now the Vice-President of the Dominion of Canada Townsite Company, Limited, 215 Judge Trevis Buildings, Calgary, Alberta.

This company owned a considerable number of landsites at Athabasca, and it was thought some of the sites could be sold in England. Mr. Boorne introduced the matter to Mr. Aaron, of the Commercial Banking Co. of Sydney, Limited, 18 Victoria Lane, N.C., with the result that the Dominion of Canada City Estates Land & Investment Co. Ltd., was formed.

Mr. Boorne stated that he was made a director of the Company simply on account of his connection with the Canadian Company and of his knowledge of Canada, but he has not put a penny into the Company.

The option on the purchase of the said sites was open until the end of October, 1911, and was extended until the end of January, 1912, but then it was not complete and the option was again extended for the completion of the purchase. Mr. Aaron told Mr. Boorne that more than that was done for the same purpose, and

upon that statement Mr. Boorne says that he guaranteed the amount to the Canadian Company, and it was agreed to further extend the option, but whether it is still open Mr. Boorne is not able to say. He understands that the title deeds are lodged with the Dominion Townsite Company's bankers - the Bank of British North America.

Mr. Boorne stated that about two years ago he wrote to Mr. Barron, as Secretary to the Company, severing his connection with the Company, because as the option had failed he had no further interest in the matter. The arrangement with the Company was that he should receive 5% of the purchase money when sales and payment were completed, and as they were never completed he received nothing and retired from the Board of Directors. No record of the retirement is, however, shown on the file at Somerset House.

Mr. Boorne handed us the accompanying literature published by the Company. Amongst it is an audited balance sheet drawn up to the 30th September, 1913, in which the name of Mrs. Roberts appears as having made a payment of £38 "on account of land not yet transferred". There is also an account of £617.9.1. shown therein as a payment on the options at Athabasca. There is also a copy of a circular letter dated January, 1913, addressed "To the Shareholders". In it the position is clearly stated (on page 3) that unless the option is taken up before January 27th, 1913, the monies already paid would be forfeited.

All the books of the Company are, or were, in Mr. Barron's possession.

From enquiry made in various sources it

appears that Mr. Barron is at present carrying on business at Beech Lawn, Shelly Grange, Manchester, and that his wife is residing at "Milwyn", Middlebourne Road, Coventry, where it is said he spends his week-ends.

I venture the opinion that at present there does not appear to be any evidence of criminal fraud in connection with the working or control of the Company, and therefore probably the most advisable course to take would be for some enquiry to be made of the Dominion Tannite Company, Limited, Calgary, as to the existing position of affairs.

Sir -

Sec. 20 Tp. 15 R. 21 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1906, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

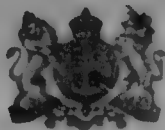

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Dear Sir:

Re: E<sup>1</sup> 30-17-9-West 4th Meridian.  
August J. Orwald - Joint Relief.

This party obtained the following advances for  
Joint Relief through the Municipal District of King No. 153.

|                            |                 |
|----------------------------|-----------------|
| April 1, 1920              | \$115.59        |
| May 2, 1921                | 40.00           |
| January 1, 1922            | 19.60           |
| March 15, 1922             | 53.28           |
| June 1, 1922               | 80.35           |
| June 1, 1922               | <u>25.00</u>    |
|                            | \$333.82        |
| Interest to March 31, 1932 | <u>232.45</u>   |
|                            | <u>\$566.27</u> |

As security for these advances, liens were filed on Title to the N. E. 30-17-9-4 and were also considered to represent a charge against the S. E. 30-17-9-4, but the former parcel was taken over by the Municipal District of King No. 153 under Tax Recovery Proceedings in the year 1927 and the latter parcel is now listed as Provincial land. There are no liens shown on Title to either properties at the present date.

153-0-2

The Municipal District of King was disorganized many years ago and the affairs of the District passed to the Department of Municipal Affairs for administration.

The debtor apparently experienced crop failures so common in this dry district in which he was farming and abandoned the land very few years after receiving the above assistance. All trace of him has been lost.

There is evidently no security remaining for this account which I would recommend be written off.

Provincial Seed Grain has been cancelled in a sum of one thousand six hundred and thirty-seven dollars and thirty cents (\$1637.30).

Yours very truly,

BOARD JUNE NO. 10,326

Re: Ole Mangen. SA 27-4-5-4.4th.  
Joint relief advances

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated March 25th, 1948, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable, and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendation for the adjustment and settlement of the said account contained in the said report be, and the same are, hereby APPROVED and ACCEPTED.

  
Chairman, Agricultural Relief Adjustment Board.

To:

The Honourable E. G. Manning,  
Provincial Treasurer,  
Province of Alberta,  
EDMONTON, Alberta.

BOARD ORDER

No. 11578

12-1

March 25, 1948.

Dear Sir:

Mr. Ole Hansen  
37 27-5-4.4th.  
Joint Relief Advances

On April 2nd, 1928 the above party obtained a Joint Relief Advance in the amount of \$121.10, giving an security a lien on the title to the above land. No payment has been made and including interest to March 31st, 1946 which is the approximate date the above land was sold under the Tax Recovery Act, there was outstanding a total of \$341.50.

The above land is situated in one of the drier parts of the Province and the debtor found himself unable to carry on due to various reasons, mainly the climatic conditions. He moved North in 1927 with a view of re-establishing himself in a more favourable part of the Province, but he apparently was not much more successful in his new location, as statement of affairs completed in 1931 showed his assets to be \$1,100.00 while his liability amounted to more than \$6,600.00. He apparently moved again as all trace of this individual has been lost for more than ten years.

In 1946 the Tax Recovery Branch negotiated a sale of this land for the sum of \$600.00 which in view of the property's locality is in my opinion a very favourable price. At that time there was outstanding the sum of \$790.43 in respect of taxes.

I would recommend that the proceeds of the sale be distributed on a pro rata basis between tax arrears and the joint relief advance, after first allowing costs of \$5.00 which will result in the following allocation of the monies.

|                      |          |
|----------------------|----------|
| Costs                | \$5.00   |
| Taxes                | \$15.49  |
| Joint Relief Advance | 179.51   |
|                      | <hr/>    |
|                      | \$600.00 |

-cont'd

- 2 -

File 427-11-1

As no further security will then remain and as there is no possibility of obtaining repayment from the debtor himself, I would recommend that the balance outstanding be written off.

Provincial Seed Loan Advances of \$172.03 have already been cancelled.

Yours very truly,

28. State any special circumstance such as illness, accident or lack of means, which should be considered by the Department in dealing with your case. Give any further information which in your opinion should be brought to the attention of the Department?

My home was paid the C. P. R. Co - about \$300, being 1st inst at least & 2nd inst. before my entry was changed. In consequence of lack of means to improve 2 places 1/2 mile apart - & this side of it.

We lost money when we tried to grow anything that summer frost could ruin - we did well with sheep & are now doing well.

I need more sheep pasture very badly & hope that the Govt might arrange with the C. P. R. so that the \$300 paid them would be allowed to go as a payment on the

land adjoining my NE 1/4 25 22. I feel that I could be allowed to pre-empt 1/2 of it, but this I understand is not possible.

13th February, 1928.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

The undersigned has the honour to report that in the year 1920, Gottlieb Heller, received advances of fodder and relief from the Province of Alberta totalling \$127.46 and gave liens as security against the south-east quarter of section 32, Township 17, Range 2, west of the 4th Meridian. The Dominion remitted fifty per cent of said advances to the Province under the agreement as existing in connection with these distributions and the total amount owing by the debtor on November 22nd, 1920, was \$63.13, fifty per cent of which or \$31.57 being chargeable to the Dominion. On that date the sum of \$31.57 was paid to the Province on behalf of the licensee with the request that it be accepted in full settlement. Fifty per cent of said payment was forwarded to the Dominion leaving a balance due to both the Province and the Dominion of \$7.57.

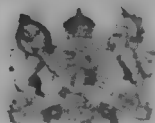

The undersigned also begs to report that an investigation made at that time by the Director of the Debt Adjustment Act of Alberta, a copy of whose report is attached hereto, disclosed the facts that the debtor was an aged man no longer living on the land, and that there was a mortgage of \$1000.00 registered prior to the Provincial liens, in view of which he had suggested to the Province that said settlement be accepted provisionally pending the establishment of the necessary authority in that regard.

The Committee appointed by Your Excellency in Council on November 22nd, 1927, P.C. 2289, to deal with the apportionment and adjustment of indebtedness incurred for seed grain, fodder and relief, unanimously recommends the acceptance of said payment of \$31.57 in full settlement, as per copy of their report also attached hereto, and the undersigned, therefore, under and by virtue of the provisions of Section 1 of the Act 17, George V., Chapter 51, respectfully recommends that said settlement be accepted and that authority be given to discharge and release the balance due His Majesty in the right of the Dominion both as to principal

and interest, in respect of the advances to the said  
Gottlieb Heller heretofore referred to, and to take  
any other action necessary to clear the records of  
the Land Titles Office in that regard.

Respectfully submitted,

Minister of the Interior.

BOARD ORDER NO: 11.277

Re: RE 25-20-9-4/4th  
Carl Anderson,  
Joint Relief Advances

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated June 17, 1955, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board, the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED AND ACCEPTED.

  
CHAIRMAN, Agricultural Relief Adjustment Board.

TO:

The Honourable C. E. Gortart,  
Provincial Treasurer,  
Province of Alberta,  
EDMONTON, Alberta.

T-A-56

June 17th, 1955.

Mr. J. W. Judge, Chairman,  
Seed Grain & Relief Adjustment Board,  
Winnipeg, Alberta.

BOARD ORDER  
No. 11277

Dear Sir:

Re: H# 25-20-9-2.4th,  
Carl Anderson,  
Joint Relief Advances

The above named party obtained Advances for which  
liens have been registered against the title to the parcel  
above described.

|                    |                  |

| March 1, 1922      | \$ 32.20         |
| January 15, 1922   | 30.70            |
| March 1, 1922      | <u>18.90</u>     |
|                    | \$ 81.80         |
| Int. to Dec. 31/54 | <u>189.09</u>    |
|                    | <u>\$ 270.99</u> |

This parcel of land is situated in that part of the  
Province designated Special Areas, and an Historical Abstract  
of Title recently obtained, shows encumbrances registered for  
the above mentioned account, tax arrears, and Agricultural  
Relief Advances. This history would indicate that the debtor  
experienced considerable financial difficulties in operating  
the farm. Information has also been received that the debtor  
is deceased, and this parcel of land has been transmitted to  
two sons under the provisions of a will.

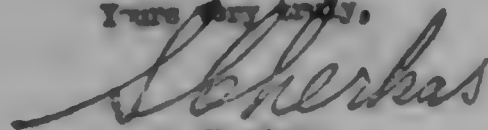

cont'd.....

Application was recently made to the Special Areas  
1, Hama, for a compromise settlement of the account and  
offer of the principal amount of the Advances, namely,  
Eighty One dollars and Ninety cents (\$81.90) has been received.  
Statement of the assets and liabilities of the deceased debtor  
of October 15, 1954, indicates that after providing for medi-  
cal, hospital, and funeral expenses, the estate had no value  
left except this parcel of land which is assessed at Three Hun-  
dred and Thirty dollars (\$330.00). The Special Areas Board has  
recommended that under the circumstances, repayment of the prin-  
cipal amount be considered as a satisfactory settlement, and the  
account be considered closed.

After taking into consideration the foregoing circumstances,  
I am of the opinion that the offer should be considered acceptable,  
and would so recommend. I would further recommend that upon appli-  
cation being made of the said sum of Eighty One dollars and Ninety  
cents (\$81.90) the account be so adjusted that it will stand paid  
in full and the liens be discharged.

Provincial Seed Grain in the amount of One Hundred and  
Six dollars and Ninety Five cents (\$106.95) together with accrued  
interest has already been cancelled.

Yours very truly,

S. Charles,  
CHIEF COLLECTOR.

re: John G. Lowe

The Debt Brain & Relief Adjustment Board, appointed under Order P.C. 2200 dated November 2nd, 1937, having taken under consideration the attached report of the Supervisor of the Collection Branch, Department of Municipal Affairs, numbered 7842, APPROVES the settlement outlined therein and RECOMMENDS:

1. That the indebtedness of John G. Lowe in respect of the Dominion Advances, more particularly described in the attached report, be unconditionally cancelled and the liens released from title to the above described property.
2. That there being no further security for these liens, the balance of the indebtedness of John G. Lowe be written off.

Chairman,

Dear Sir:

re: John S. Lowe  
of 12-16-9-4th  
Dominion Lands

The above named party obtained the following advances from the Dominion Government:

Seed Grain 1920 \$ 158.40  
Interest Mar. 31/41 \$31.65 \$ 391.05

As security for this advance a lien was filed against title to the above described property and still remains a charge thereon.

This half section, however, has now been expropriated by the Dominion Government it being situated in what is known as the 'British Block'.

A request has now been made for the cancellation of this indebtedness on account of the fact that the owner, John S. Lowe, is being dispossessed of his home on very short notice, due to the urgent requirements of the area in which the land is situated for war purposes; and while it is true that Mr. Lowe, will be receiving compensation it will be very doubtful that the amount will be sufficient to re-establish him in circumstances equal to those which he has been accustomed to on this land.

.....Cont'd

Cont'd.....

- two -

These advances were made during the last world war and an exceptional number of years of severe drought hit the district subsequent to the war and brought all settlers in the district to the verge of bankruptcy.

It is felt that one must also take into consideration the adverse conditions which have been experienced for years past in the district in which these lands are situated and the fact which has been put forward by Mr. Lowe to have a go of it in the face of these conditions.

Further more the appropriation of this land deprives him of a home in which he has lived for a great number of years and must undoubtedly have a great sentimental value.

In view of the circumstances and on account of the fact that these lands were appropriated by the Dept. of National Defence there is no further security for the loans and I would, therefore, recommend that the account be written off in its entirety and the liens released from title to this property.

H.

Yours very truly,

Will of Lester Jagger.

I wish like that my properties and all that belongs to me should go to my three partners, Joseph, Paul and Ben Jagger, my brothers. If Joseph should die in the war he should leave his part to Paul and Ben, with the exception of an gold watch which will be for my widow, Mrs. Jagger.

For the portion of the house which I have at Red Deer I wish like that the half go to Paul, my brother. He has always been an excellent brother and will for me as far as I can. In case of death it will go to his wife.

One quarter for Ben Jagger, my widow.

One quarter for the son of Paul Jagger.

For the farm at Silver Lake -

The half to my partners, Joseph, Paul and Ben Jagger, the other half to Louis Vi. Jagger, who children need it more than those of other brothers and sisters. It is well understood that the sale of my properties will be made, but the remaining owners wish it, the heirs will not receive their portions, that is in order to not entangle the business.

For the part which belongs to me from Uncle Paul Jagger, that the half go to the one of my brothers or sisters who at the time of my death will have the most children.

One quarter for Mrs. Jagger, who is not married.

One quarter for my partners who now remain.

I think I have acted favoring those who have the greatest need. That my partners will not forget to have a certain number of money set for me.

Lester Jagger.

ADMINISTRATIVE

OTTAWA 10th January, 1912.

Copy to - L.D.L. Edmonton,  
Ref. 175372.

Sir,-

Sec. 7 Tp. 61 Rge. 23 West 41 Mer.

Referring to your application for the privilege  
of taking up a second homestead, I beg to inform you that  
an amendment to the Dominion Lands Act has been passed  
granting those settlers, who had obtained patent, or who had  
become entitled thereto on or before the 1st January, 1906,  
the right to make a second homestead entry on the usual  
homesteading terms.

Therefore, if you are the person who obtained  
patent for the quarter section above described, and provided  
this is the only land for which you have obtained homestead  
patent, you are entitled to another homestead, and the pre-  
sentation and surrender of this letter to any Agent or Sub-  
Agent of Dominion Lands will be his authority for granting  
you homestead entry for any vacant and available quarter  
section of Dominion Lands on the usual terms, provided he is  
aware of no reason to the contrary.

I may further inform you that the holder of an  
unpatented pre-emption or purchased homestead entry will not  
be permitted to abandon the same in his own favour or in  
favour of a relative for the purpose of making entry for the  
land as a second homestead.

If you are indebted to this Department for seed  
grain or relief, the land taken under the authority of this  
letter will be subject to such indebtedness.

Your obedient servant,

Athanasie Gougeon, Esq.,  
Hochester,  
Alberta.

of Dominion Lands.
